Thoughts on Homecoming

Homecoming is a beautiful celebration of community. Our family isn't just the people we sit next to on Sunday's; it's those that we share our lives with during the week.

Homecoming represents a time when we come together to celebrate our unity in Christ. It is a reminder that we are all apart of a larger family that supports and encourageds one another. Many of us have shared countless memories, laughter, and tears weith our church community. The4se gatherings deepen our relationships and strengthen our faith. Homecoming is an opportunity to rekindle friendships, welcome newcomers, and

celebrate the bonds that we have in
Christ
